Registration Statistics:

The year to date statistics are: 562 registered coaches. Out of this number there are 119 flagged with alerts for various reasons. Please make sure your credentials are up to date. Please remember to check your expiration dates as we begin the summer season.

Meet Credentials:

Please make sure your credentials are up to date by checking on Deck Pass or USA Swimming website. Please make sure you are prepared to present your credentials at a meet by either showing the physical card or Deck Pass. Please do not come to a meet with a certificate stating you have passed a course. It must be updated on Deck Pass. All ARC certificates that get sent to the NJ Swimming office need to have a QR code in the lower right hand corner. This is a protection for you. If you take a course for CPR or Lifeguarding please make sure you have checked on the USA Swimming website that it is an accepted course.

Prior to each meet the Meet Director is sent a copy of the coaches that are not allowed on the pool deck due to expired credentials.
