Registration Chair Report
HOD Meeting
October 7, 2017

Registration Statistics:
The year to date statistics are: 592 registered coaches. Out of this number there are 182 flagged with alerts for various reasons. Please make sure that your credentials are up to date. Please remember to check your expiration dates as we begin the winter season.

New APT Course:
USA swimming has a new on line Education hub. You will need to get 75 points to pass. The *Safe Sport: Ready Set Go* is worth 50 points and then you must take at least one 25 point course. Your options at this time are: *Preventing Bullying* or *What Would You Do?* You may take both courses. USA Swimming will be adding more 25 point courses for you to choose from.

Meet Credentials:
Please make sure your credentials are up to date by checking on Deck Pass or USA Swimming website. Please make sure you are prepared to present your credentials at a meet by either showing the physical card or Deck Pass. Please do not come to a meet with a certificate stating you have passed a course. It must be updated on Deck Pass. All ARC certificates that get sent to the NJ Swimming office need to have a QR code in the lower right hand corner. This is a protection for you. If you take a course for CPR or Lifeguarding please make sure you have checked on the USA Swimming website that it is an accepted course.

Prior to each meet the Meet Director is sent a copy of the coaches that are not allowed on the pool deck due to expired credentials.
